Experiencing God in the Supernatural Mar 25 2022 A study on the supernatural is very broad; therefore, it is my goal to help individuals understand the supernatural from a scriptural perspective by defining the prophetic. In doing so, the reader will embrace the vast biblical extent of man's interactions with God, explore various dimensions of the Spirit realm, and learn what it means to live under an open heaven. In fact, this book will cover over 21 ways in which God may choose to interact or communicate with us as believers and much more. This is a book of both information and impartation. The pages of this book will

literally come alive, as there have already been testimonies of various God encounters from those who have previously reviewed the writings contained. You will not only read this book, but you will experience what you read, and the things you learn will stir up the gifts that are on the inside of you. Get ready to take the limits off of your life. Get ready to be accelerated in the prophetic, because God is about to blow your natural mind with a supernatural revelation. I reiterate that this is not merely a book. This is an impartation.

Experiencing God's Compassion Jun 03 2020 Over the past thirty years, while offering retreats, spiritual direction, and preached missions, the author was privileged to accompany many on their spiritual journey. She highlights here their common desires for peace, purpose, and meaning in life, ways to deal with suffering and death, among other life experiences. The author recounts how each experienced a "breakthrough" moment in their relationship with God. Reading these stories, one can easily recognize that transforming moment when each person experienced God's compassion and as a result, everything changed in his or her life. These stories capture various dynamic aspects of our spiritual journey with God and others. Ultimately, at the heart of our spiritual journey is God's never-ending desire to draw us into a loving relationship. We too can rediscover that God has been searching for us, while we have been searching for God. Through the reading of these stories, scripture, and insights, we can reclaim our own desires and continue to deepen in loving union with our compassionate God, and be "carriers" of compassion for others.

*Contemplative Bible Reading Jan 29 2020 A new way to read the Bible. Spiritual disciplines are simply ways to open ourselves to God. They help us become aware of the many ways God speaks to us and provide us with ways to respond to God. This book explores and explains how the historical disciplines and perspectives of the Christian faith can deepen both our walk with God and our community with others. Reading the Bible is something that most of us are familiar with. Some even do it regularly. But do we really think about how we read and respond to Scripture? How deeply do we allow ourselves to be impacted by it? Contemplative Bible reading (or *lectio divina*, as it is often called) is an ancient method of approaching Scripture. Consisting of four parts, this method*

begins with the selected biblical passage and moves to meditating, praying, and contemplating what God is revealing through the Bible. Many of us tend to think of meditation as something done individually, but reflecting on Scripture in a small group invites us to act and encourages us to share with others how God is calling us to respond. Contemplative Bible Reading examines this spiritual discipline and invites your small group to approach Scripture in a new and challenging way. By exploring different passages and learning to hear God's voice in them, this guide will help you meditate and act on the truth of the Bible.

Experiencing God in the Ordinary Apr 25 2022 2021 Illumination Book Awards, Silver Medal: Theology God's presence is not "out there" but right here. We tend to look for God in dramatic or miraculous moments, but such expectations can blind us to God's ongoing presence. What if God is already with us, in the life we have this moment? When we experience ordinary but meaningful events, such as our first love or a favorite novel, we are in fact encountering God's presence. As we learn to notice spiritual movement within and around us, we can recognize the many facets of God's love that touch us daily. "As a priest and spiritual director of many decades, my driving desire is for people to experience God's limitless love for them and to recognize it when it emerges in what they consider just ordinary life happenings and conversations."

—William A. Barry, SJ Whether we are in pain or crisis, questioning if we are really worthy of God's attention, or are simply wondering why God would be in the mundane details of our lives, Experiencing God in the Ordinary can nurture our hope—that God is always present and can be found in an ordinary day. Complete with personal stories and various suggestions for prayer and meditation, this book is perfect for devotional reading, retreat, or small-group discussion.

Actualizing Our God-Given Purpose Jan 11 2021 Everything God created has a divine purpose. Yet many of us fail to actualize our God-given purpose because we think that after we discover our purpose everything in our lives will line up undue affliction, undue betrayal, undue heartache, undue pain, undue suffering, and undue unrest, meaning smoothly, and it does sometimes. However, if not right now, there will be times when the Devil will use any- and everyone and any- and everything he can to crush our faith, to break our spirits, causing many to abandon our God-given purpose, especially when all perdition breaks out;

when everything looks bleak; when everything is chaotic, and when everything around us is shaking. If this is the reality of your life or your ministry right now, and if you are hanging on by a wing and a prayer, this book is for you. In this book, Dr. Williams will encourage while challenging and provoking you to stay the course to realizing your God-given purpose, through powerful teachings that rejuvenates your soul and ignites a fire in your spirit. Make no mistake, the first aid she employs is not for wimps, but for those willing to invest eight weeks in the intensive care unit with her, receiving booster shots to your confidence, range of motion exercises, reflex checks, and open-heart surgery.

A God-Centered Church May 03 2020 An award-winning book from a multimillion selling author, now available in paperback for the first time! Henry

Blackaby says, "As important as Experiencing God has been to many people, A God Centered Church is a necessary sequel. Christians must make the transition from knowing and doing the will of God as individuals to knowing and doing the will of God within a corporate body of believers." Indeed, there is a corporate nature to salvation. God saves individuals but places them in community with one another—a community of believers. God is creating for Himself a people through whom He can accomplish His purposes in our world. Experiencing God Together help churches experience the fullness of life as a congregation, a manifest presence of God in their midst, and a love that could only come from above.

Experiencing God Dec 10 2020 Too many people today suffer silently. They bear up under and carry the weight of hurt, shame, and guilt. Constantly remembering what happened. Always thinking the best has passed them by. Hopelessness, worry, and the struggle with self-worth consume their days. Their farthest thought is that their tomorrows could be better than their yesterdays. They can't seem to look past the mistakes to reach for success on any level. And then there's God! A loving God that is not only able but willing. He is able to heal and restore. He is willing to touch that life and make it whole. God Himself said in Psalms 46:10, "Be still and know that I am God." These words are much more than a passing comment. They are an invitation that if acted upon will leave you Experiencing God. God wants you to experience the joy, acceptance, and love He has for you. He wants you to have a knowledge of His love for you gained through experience. There is nothing like God revealing Himself on your behalf that results in restoration, healing, increase, and fulfillment such as you have never known. Today hear Him calling you out from underneath the weights of life. It's time to Experience God!

Experiencing God In Your Work May 27 2022 Work is the place where we spend the majority of our lives— yet it is the place where God is experienced the least. Experiencing God in Your Work gives inspirational perspectives and

practical ideas on how to discover God in the normal flow of your everyday work life. Compelling personal stories, anecdotes, and quotations from both classic and modern Christian thinkers, makes this biblical based guide a great choice for either personal study or group discussion. "Joe Carroll skillfully addresses the key issues every worker faces – practically, biblically and with understanding of the dilemma of work and life. His writing has the aroma of reality and the empathy of one who has lived what he writes. This is a vital book for everyone who works..." Jerry White, PhD • Major General, USAF, Ret, International President Emeritus – The Navigators "As a workplace follower of Christ, Joe brings a unique perspective to men and women who would like to experience the joy of seeing God at work in their work but all too often fall asleep spiritually. Using both workplace and biblical examples, this study will help you awaken to and enjoy Christ's presence in your work." Bill Peel, DMin • Executive Director, Center for Faith & Work at LeTourneau University "This book looks at how to work effectively and wisely from a myriad of angles. It is loaded with solid practical and biblical advice. It will change the way you work, not just by answering why you work but showing how meaningful work can be." Darrell Bock, PhD • Senior Research Professor of New Testament Studies Executive Director for Cultural Engagement, Dallas Theological Seminary "I know from experience that Joe Carroll lives and writes with the same aim--to help us connect with God in our work. It is easy to see myself in the real world stories he shares. While the book provides God's perspective on work from a Biblical perspective, almost everyone will benefit from the chapters on experiencing God's presence in your work. For me, the chapters on living courageously and living with integrity were the most helpful in giving me perspective for my own work and for the students who ask my advice." Michael K. Shaub, PhD • Clinical Professor of Accounting, Texas A & M University

Experiencing God's Love Through His Creation! Oct 08 2020 In "Experiencing God's Love through His Creation," Robert supports the eternal truth of God's love with pictures of stunning sunrises, sunsets as well as with biblical scripture. Despite the recent passing of his grandson, Jeremy Scott Goehl, Robert has been renewed by his Lord and Savior, Jesus Christ and now looks to the heavens to see God's love being displayed across the South Florida skies. In the book of Psalms, chapter 19 verse 1, the psalmist David declares, "the heavens declare the glory of

God." In that same light, Robert has compiled some of his best photos and favorite scripture challenging us to come to Christ, receive His love and take it into the world. Robert's desire is that you'll come away with a deeper understanding of this never-ending love. Despite our circumstances, may we stop and reflect on His goodness, giving Him the glory He rightly deserves!

Amazed by His Love Jul 17 2021 This book is a story of affliction, healing, and transformation. I wrote this book to share my story of affliction and to show that the testing of our faith is not something to run away from. God is particularly watchful over us when we are going through tough times. It is a story that I think will resonate with people in many different ways. I am hoping this story will encourage readers to run to God in the face of difficult situations and to consider what it means to walk with Jesus Christ and trust him with your life.

Experiencing God in Late Medieval and Early Modern England Sep 18 2021 Experiencing God in Late Medieval and Early Modern England demonstrates that experiences of divine revelation, both biblical and contemporary, were central to late medieval and early modern English religion. The book sheds light on previously under-explored notions about divine revelation and the role these notions played in shaping large portions of English thought and belief. Bringing together a wide variety of source materials, from contemplative works and accounts of revelatory experiences to biblical commentaries, devotionals, and religious imagery, David J. Davis argues that in the period there was a collective representation of divine revelation as a source of human knowledge, which

transcended other religious and intellectual divisions. Not only did most people think that divine revelation, through a ravishing encounter with God, was possible, but also divine revelation was understood to be the pinnacle of religious experience and a source of pure understanding. The book highlights a common discourse running through the sources that underpinned this collective representation of how human beings experienced the divine, and it demonstrates a continual effort across large swathes of English religion to prepare an individual's soul for an encounter with the divine, through different spiritual disciplines and devotional practices. Over a period of several centuries this discourse and the larger culture of revelation provided an essential structure and legitimacy both to contemporary claims of divine revelation and the biblical precedents that contemporary experiences were modelled after. This discourse detailed the physical, metaphysical, and epistemological features of how a human being was understood to experience divine revelation, providing a means to delimit and define what happened when an individual was rapture by God. Finally, the book situates the experience of revelation within the wider context of knowledge and identifies the ways that claims to divine revelation were legitimated as well as stigmatized based on this common understanding of the experience of rapture.

*Experiencing God in the Hidden Place Dec 22 2021 In *The Hidden Place*, Vickie takes you on a rare journey behind the walls of a communist orphanage and the harsh realities of everyday life as an orphan. A journey that began with her “Yes” to God, taking her and her family to China, to serve the orphans living there. Vickie will share stories of the children she met, the brutal effects suffering and injustice had on them, and her determination to right the wrongs of injustice to orphans. Being sold out and obedient to everything God asked resulted in a ministry dripping in God’s favor and extravagant provision. Until one fateful night when a single event would change everything, and her life would never be the same. What do you do when: You know God could have changed or stopped something, but He didn’t? Nothing makes sense? You know you had faith, yet God didn’t answer your prayer? There is no happily-ever-after? In your season of deep grief and sorrow, you ask, “God, where are you and who is really in control of this battle? Those were the questions on Vickie’s heart when God answered her with His own question, “Will you come away with me to the*

Hidden Place?" In the Hidden Place, you will not only learn the answers to these questions, but you will experience God and encounter His Presence in ways you never have before as He asks you the same question: "Will you come away with me to the Hidden Place?"

He Holds My Hand Nov 01 2022 2018 Christian Book Award finalist (Devotion and Gift category) He Holds My Hand is a page-per-day 365-day devotional. Based on Scripture, this devotional is written as if God the Father is speaking His words of comfort and protection directly over you. When Carol Kent's son was sentenced to life in prison without parole, Carol was consumed with grief, sadness, and despair. She was distraught wondering why God permitted this to happen. She had prayed for her son since he was a small child. He had been raised with biblical principles and daily prayer. As Carol tried to make sense of everything, she couldn't help asking, Where's God when it hurts so much? In the middle of her sorrow, Carol turned to the place where she had always gone for comfort--the Bible. She was desperate to hear God's voice. She soon discovered that the best way for her to "listen" to His voice was to meditate on Scripture and then write out what she believed He was saying. She wrote it as if it was His prayer over her life, and it comforted her. It was as if He took her by the hand, as a father would guide a child, and He gently led her in the direction of unconditional love, renewed hope, and fresh faith. Know without a doubt that God is with you and stands ready to protect and guide you. He holds your hand, and He won't let go. Listen to God's voice and put your hand in His. He is your Comforter, your Healer, your Teacher, and your Joy. Remember He holds your hand, and He won't let go.

From the moment our eyelids open to face a new day , to the time we lay our heads down at night. Often our thoughts are still consumed with our daily agenda far into our desire for sleep. Yet in the midst of our everyday life, lingers the presence of the One who knows and loves us more then we could ever comprehend. With God s deep love for us comes a desire to have fellowship with us. But often in the busyness of life and the all the things that can fill our hearts and minds, His presence and His still small voice can go unnoticed. Still, He lingers . . . God is always at work in our lives and so often we miss Him because we re too busy. Maybe, just maybe, if we were to slow down, and take some time to notice, we would see Him there - right in the midst of our lives. Peace, joy , comfort, along with everything else we need to survive this journey called life can be found in Him. I have come to realize life s journey is more fulfilling by taking time to Experience God In Everyday Life . Here are a few short stories where He has helped me see His presence in my own life. Born and raised in the rural community of Baker City, Oregon, Jeanine resides there still with her husband Chuck. They have two grown married children, and two grandchildren. They enjoy the outdoor activities that beautiful Eastern Oregon has to offer, and trips to the coast. After 20 years of daycare and raising their children she felt a gentle nudge from the Lord, along with encouragement from family and friends, to share some of her writings.*

Lord, Help My Unbelief Oct 20 2021 *The secular, scientific world challenges faith in many ways. Many people have left the Christian church in disappointment. Yet in the midst of this complicated world, many people feel a deep hunger for spiritual depth and experience. Where does faith come from? How does a person "get" faith? How can doubts be surmounted? How does a person experience the presence of God in daily life? After countless conversations with persons searching for faith, the author summarizes the questions people have about faith and the church. Faith is part of everyday life and not an opposite of science. He proposes ways to experience the living presence of God in their lives. Faith is not simply believing in creeds. It is a trust,*

which results in vibrant living.
