Stories of Magic and Adventure Aug 26 2019 Five books. Five worlds. One masterful storyteller. From Newbery Honoree Padraic Colum comes five captivating retellings of classic mythologies—now available together in a collectible boxed set! Readers of Percy Jackson will love the tales from around the world where genies grant wishes, heroes undertake epic quests, and gods and goddesses wage wars alongside mortals. The Children's Homer goes back to ancient Greece, where Achilles fights the Trojan prince Paris, and where Odysseus must survive sea monsters, a beautiful enchantress, and a raging cyclops to return home. In *The Golden Fleece*, Jason and the Argonauts undertake a quest to reclaim the throne in a world where Prometheus steals fire from the gods and Zeus wages war against the Titans. The Children of Odin explores Norse mythology, where dragons and giants roam the realms, Thor defends Asgard with his hammer, and trickster and shapeshifter Loki makes mischief. In *The Arabian Nights*, King Shahryar threatens to execute his wife Shahrazad in the morning when she has finished telling him a story. But the clever storyteller saves her life again and again by never finishing her tale before the end of the night, captivating the king with the adventures of Sinbad, Ali Baba, and Aladdin. In the Celtic tales of *The Island of the Mighty*, knights and heroes face menacing sorcerers in the land of King Arthur's court.

The Adventures of Freak the Mighty Oct 28 2019 In *Freak the mighty*, learning disabled Max and his new friend Freak, whose birth defect has affected his body but not his brilliant mind, find that when they combine forces they make a powerful team. In *Max the mighty*, fourteen-year-old Max helps a younger girl escape from her abusive stepfather by running away with her to the distant town of Chivalry, Montana, searching for her real father.

The Avengers in Video Games Nov 21 2021 For decades, Marvel Comics' superhero group the Avengers have captured the imagination of millions, whether in comics, multi-billion dollar grossing films or video games. Similar to the chronology of the Marvel Cinematic Universe, the Avengers video games first started with titles driven by single characters, like Iron Man, the Hulk, Thor and Captain America. Over time, the games grew to include more and more heroes, culminating in playing experiences that featured the Avengers assembled. This is the first-ever book assessing the video games starring "Earth's Mightiest Heroes." Featured games span consoles and platforms, from popular PlayStation and Xbox titles to an arcade game in danger of being lost to time. All video games are covered in depth, with each entry including game background and a detailed review from the author. Some game entries also include behind-the-scenes knowledge from the developers themselves, providing exclusive details on the Marvel video game universe.
