Department of Health, Education and Welfare Publication Catalog of the U.S. Department of Health, Education, and Welfare*

*Includes reports of the government departments. Identifies non-government facilities active in commercial research, including development of products and processes. Arrangement is alphabetic, geographic, and by concept classification. This essential guide offers professional BASIC programming techniques and covers windowing, sorting data, debugging and provides tips about BASIC's graphics capabilities. Contains Insecticide decisions and Notices of judgement under the Insecticide Act formerly issued only as a separate publication, now published in both forms.*
