Crossing the Mason-Dixon Line nineteen times, a brave Negro woman led many fellow slaves to freedom. In 1869, Sarah Hopkins Bradford published *Scenes in the Life of Harriet Tubman*. Though often disjointed, this account presented to the public a legendary figure of the Underground Railroad. In 1886, Bradford substantially rewrote the biography at the request of Tubman, who hoped its sales would raise enough funds for the building of a hospital for old and disabled colored people. This second edition, *Harriet, the Moses of Her People*, provided little new information, but arranged the jumbled narrative of *Scenes* in chronological order, providing a clearer account of Tubman's life. A DOCSOUTH BOOK. This collaboration between UNC Press and the University of North Carolina at Chapel Hill Library brings classic works back into print. DocSouth Books editions are selected from the digital library of Documenting the American South and are unaltered from the original publication. The DocSouth series uses digital technology to offer e-books and print-on-demand publications, providing affordable and accessible editions to a new generation of scholars, students, and general readers. Biography of a little slave girl whipped for eating an apple, who later grew up to become a famous "conductor" for the underground railroad. An easy-to-read, page-turning account of Harriet Tubman's life--from her childhood in slavery to her years as a conductor on the Underground Railroad to her later work as a suffragette and as a spy in the Civil War. This remarkable true story brings to life one of America's greatest female role models. For 170 years, Harriet Taylor Mill has been presented as a footnote in John Stuart Mill's life. This volume gives her a separate voice. Readers may assess for themselves the importance and influence of her ideas on "women's" issues such as marriage and divorce, education, domestic violence, and suffrage. And they will note the overlap of her ideas on ethics, religion, arts, and socialism, written in the

1830s, with her more famous husband's works, published 25 years later. Harriet the Sausage Dog and her friend Charlie the Squirrel accidentally go on a trip to a location they don't recognize, and seek help from other wildlife to help them get home. "A tortoise from the Galapagos Islands goes on an adventure--at her own speed"-- In the bestselling tradition of *The Notorious RBG* comes a lively, informative, and illustrated tribute to one of the most exceptional women in American history—Harriet Tubman—a heroine whose fearlessness and activism still resonates today. Harriet Tubman is best known as one of the most famous conductors on the Underground Railroad. As a leading abolitionist, her bravery and selflessness has inspired generations in the continuing struggle for civil rights. Now, National Book Award nominee Erica Armstrong Dunbar presents a fresh take on this American icon blending traditional biography, illustrations, photos, and engaging sidebars that illuminate the life of Tubman as never before. Not only did Tubman help liberate hundreds of slaves, she was the first woman to lead an armed expedition during the Civil War, worked as a spy for the Union Army, was a fierce suffragist, and was an advocate for the aged. *She Came to Slay* reveals the many complexities and varied accomplishments of one of our nation's true heroes and offers an accessible and modern interpretation of Tubman's life that is both informative and engaging. Filled with rare outtakes of commentary, an expansive timeline of Tubman's life, photos (both new and those in public domain), commissioned illustrations, and sections including "Harriet By the Numbers" (number of times she went back down south, approximately how many people she rescued, the bounty on her head) and "Harriet's Homies" (those who supported her over the years), *She Came to Slay* is a stunning and powerful mix of pop culture and scholarship and proves that Harriet Tubman is well deserving of her permanent place in our nation's history. Harriet is impressed to learn that the girl she has befriended, now called Annie Smith, is the person who not only created three names—Rosarita Sauvage, Yolanda Montezuma, and Zoe Carpaccio—but also three distinct personalities to match. This girl has potential. Being a spy has always been rather solitary, so

Harriet is glad to have a new friend and spy partner. But then Harriet realizes that Annie reveals very little about herself, and indeed, is not telling the truth about where she goes and who she meets on the weekend. Sport says he's in love with the girl, but Annie lets drop she's in love with an older man. Harriet can't understand anything at all about this thing called love—even when she asks Ole Golly for advice, she still wonders. But as Harriet unravels Annie's mystery, she comes to appreciate the many different kinds of love there are. When Liz finds her dream house she discovers she has an inexplicable affinity with it. But when her daughter, Jenny, develops an intense relationship with the enigmatic Harriet, Liz finds her credulity tested to the limit. Harriet, a solitary spinster, believes she has a vital role to play in the life of this talented child; their destinies being linked by more than mere chance. However, poor Harriet died thirty years ago so how can she fulfil her destiny? Does she only exist in the child's vivid imagination? This inspiring biography of Harriet Tubman tells how she helped free over 300 slaves as a "conductor" for the Underground Railroad and how she became a nurse, a scout and spy for the Union Forces during the Civil War. From the award-winning and bestselling author of Into the Darkest Corner comes a delicious Victorian crime novel based on a real murder. Sorting myth from truth in this amazing tale of courage and heroism, Anne Schraff breathes new life into the story of the most famous "conductor" on the Underground Railroad. "I grew up like a neglected weed—ignorant of liberty, having no experience of it. Now I've been free, I know what a dreadful condition slavery is." Harriet Tubman ran away from slavery in 1849, walking one hundred miles to freedom in the North. For the next sixteen years, Tubman risked her newfound freedom—and her life—to help about three hundred other slaves escape. During the Civil War, Tubman worked as a nurse and a scout for the Union army, and in her later years, she joined the struggle for the education of her people and for women's rights. This book is developed from HARRIET TUBMAN: MOSES OF THE UNDERGROUND RAILROAD to allow republication of the original text into ebook, paperback, and trade editions. As her biographer Sarah H. Bradford mentions, Harriet Tubman is at par with biggest names like Jeanne D'Arc, Grace Darling, and Florence Nightingale in terms of her resilience, courage and do-or-die dedication in liberating her people from the bondages of slavery. Tubman who was herself born into slavery in Maryland in 1822 took over

the responsibility of helping and guiding other slaves to freedom after her own escape to Philadelphia in 1849. Traveling by night and in extreme secrecy, Tubman "never lost a passenger". When the Civil War began, Tubman worked for the Union Army, first as a cook and nurse, and then as an armed scout and spy. She was the first woman to lead an armed expedition in the war and to guide the raid at Combahee Ferry, which liberated more than 700 slaves. Excerpt: "The whip was in sight on the mantel-piece, as a reminder of what was to be expected if the work was not done well. Harriet fixed the furniture as she was told to do, and swept with all her strength, raising a tremendous dust. The moment she had finished sweeping, she took her dusting cloth, and wiped everything "so you could see your face in 'em, de shone so," in haste to go and set the table for breakfast, and do her other work. The dust which she had set flying only settled down again on chairs, tables, and the piano. "Miss Susan" came in and looked around...." (Scenes in the Life of Harriet Tubman) Sarah H. Bradford (1818-1912) was an American writer, historian and one of the first American women writers to specialize in children's literature, predating better-known writers such as Louisa May Alcott. Bradford was also a very close friend of Tubman and a contemporary of Harriet Beecher Stowe, the author of Uncle Tom's Cabin. The Corrections *The Voice of Harriet Taylor Mill* is a work about collaboration: Harriet's life with her lover, friends, and members of her family; Harriet's joint work with John Stuart Mill; and the author's interaction with the reader. Jo Ellen Jacobs explores and expands the concept of biography using Salman Rushdie's analogy of history as a process of "chutnification." She gives Harriet's life "shape and form -- that is to say, meaning" in a way that will "possess the authentic taste of truth." In the first chapter, the first 30 years of Harriet's life are presented in the format of a first-person diary -- one not actually written by HTM herself. The text is based on letters and historical context, but the style suggests the intimate experience of reading someone's journal. The second chapter continues the chronological account of HTM until her death in 1858. In an interlude between the first and second chapters, Jacobs pauses to explore Harriet's life with John Stuart Mill; and in the final chapter, she argues persuasively that Harriet and John collaborated extensively on many works, including *On Liberty*. *Duets 2-In-1* (97) by Nancy Warren released on Mar 25, 2003 is available now for purchase. Music is the best teacher and no one knows this better than Patsy Ford Simms. Realizing the need for a fun and motivational way to teach the sensitive and important subject of slavery and the fight for freedom, Patsy set about the task of writing a musical for children that would accomplish this goal. She did it with flare, using Harriet Tubman as the key figure for this musical. Easy, memorable, and historically accurate, this is a must for every older elementary and middle school group. Here is the remarkable true story of Charles Darwin's tortoise - Harriet - reputed to be the world's oldest living creature. Now living at Steve Irwin's Australia Zoo in Queensland, 175-year old Harriet was shipped by Darwin from the Galapagos Islands to England. From wintry London to the warm humidity of Brisbane, Harriet travelled oceans and highways before finally finding a permanent home at Australia Zoo. Market range- children 11+, non-fiction. Story recently reported in The Herald Sun(Aus), The Courier Mail(Aus), The Times(UK), The Daily Record(Glasgow), Web Indiaand The Falkland Islands Network. "The protagonist and anti-heroine of Louise Fitzhugh's masterpiece Harriet the Spy, first published first in 1964, continues to mesmerize generation after generation of readers. Harriet is an erratic, unsentimental, and endearing prototype--someone very like the woman who dreamed her up, author and artist Louise Fitzhugh. Born in 1928, Fitzhugh was raised in a wealthy home in segregated Memphis, and she escaped her cloistered world and made a beeline for New York as soon as she could. Her expanded milieu stretched from the lesbian bars of Greenwich Village to the dance clubs of Harlem, on to the resurgent artist studios of post-war New York, France, and Italy. Her circle of friends included artists like

Maurice Sendak and playwrights like Lorraine Hansberry. In the 1960s, Fitzhugh wrote *Harriet the Spy*, and in doing so she introduced "new realism" into children's books—she launched a genre of children's books that allowed characters to experience authentic feelings and acknowledged topics that were formerly considered taboo. Fitzhugh's books are full of resistance: to liars, to conformity, to authority, and even (radically, for a children's author) to make-believe. As a commercial children's author and lesbian, Fitzhugh often had to disguise the nature of her most intimate relationships. She lived her life as a dissenter—a friend to underdogs, outsiders, and artists—and her masterpiece remains long after her death to influence and provoke new generations of readers. *Harriet* is massively influential among girls and women in contemporary culture; she is the missing link between Jo March and Scout Finch, and it's not surprising that writers have thought of her as a kind of patron saint for misfit writers and unfeminine girls. This lively, rich biography brings *Harriet*'s creator into the frame, shedding new light on an extraordinary author and her marvelous creation"—Inspired by Harriet Tubman on of Mirthell's fondest memories was at the age of ten when she had partaken in her elementary schools assembly meeting during Black History Month. Her person of choice to write about was the late Harriet Tubman. It was her first essay to write at the age of ten, and her reason for choosing *Harriet* is because all the other students had chosen to write about Martin Luther King. Proud of her afro American heritage, and being born on June 19th which is known as Juneteenth, the official date when slavery had ended, she felt compelled to write about the one person who saved over a thousand slaves - A woman name Harriet Tubman Not only did Mirthell write an essay, but recited this poem as well: *Harriet! Harriet! born a slave Work for your master, from the cradle to your grave Harriet cleans, Harriet sweeps Harriet rocks the child to sleep Harriet here tells about the promise land How the Lord led Moses over Egypt's sand How Pharaoh's heart, was hard as stone How the Lord told Moses, he was not alone Harriet said...believe in the Lord Harriet said...believe in me Harriet said...brothers and sisters Where going to be*
